## Conditions of Use: Care & Maintenance

Konfurb MUSE Chairs – Indoor / Outdoor

### Polypropylene/Water Printed Polypropylene/Powder Coated surfaces - Notice:

Polypropylene & Powder Coat are two of the most durable and adaptable raw materials. However, like all quality finishes, they require special care. The best method for cleaning polypropylene & powder coating is washing with soap, water and a soft cloth, sponge or extra soft bristle brush.

**Warning:** Polypropylene parts have been treated with a water repellent.

**Warning:** Do not use solvents such as acetone, contact cleaners, thinners or Methyl Ethyl Ketone (MEK) to clean Polypropylene or Powder Coated surfaces. These solvents will soften and/or dissolve the powder coat, polypropylene & polypropylene water printed surface, diminishing its shine and durability or removing the finish altogether. To maintain the appearance of this product, wipe surfaces with a clean, non-abrasive cloth dampened with a mild detergent solution. Treat spills and stains as soon as possible. Do not remove any parts for separate cleaning. Do not shampoo or clean with a hot water extraction machine. Do not clean with onsite dry cleaning machine.

Konfurb does not guarantee its finishes with the use of any solvents other than soap and water. All powder coat, water printed polypropylene and polypropylene components are inspected for quality and uniformity of finish prior to assembly and delivery. Konfurb assumes no responsibility for nicks, cuts, scratches or any other kind of damage to MUSE chair components caused by normal fair wear and tear, abusive use or improper use which contravenes Konfurb's strict Guarantee Terms & Conditions/Care & Maintenance instructions.

**Note:** Konfurb MUSE Chairs (Indoor Model) are **designed for indoor use only. Protect from direct sunlight, heat and weather.**

## Guarantee

**Konfurb MUSE - Indoor Chairs** are guaranteed for 5 years to the original purchaser against faulty manufacture. This excludes the upholstery material and fair wear and tear. The guarantee is subject to the chair being used for it designed purpose and in line with Konfurb's Conditions of Use/Care and Maintenance conditions, within a typical 8 hour working day. Guarantee claims must be supported by a proof of purchase from an authorised Konfurb dealer.

**Konfurb MUSE – Outdoor Chairs** are guaranteed for 1 year to the original purchaser against faulty manufacture and the effects of severe UV deterioration. This excludes the upholstery material and fair wear and tear. The guarantee is subject to the chair being used for it designed purpose and in line with Konfurb's Conditions of Use/Care and Maintenance conditions, within a typical 8 hour working day. Guarantee claims must be supported by a proof of purchase from an authorised Konfurb dealer.
