RBM Sweep table

With its gentle curves RBM Sweep becomes an elegant personality combined with the RBM Sweep sofa or chairs. The oval table top takes on the shape of the sofas in the same series. This makes them ideal partners – the table and the sofa or the arm-chairs. The elongated slot together with the birch profile along the edge lend the table character.

Design: Harrit-Sørensen

	Model	Description
	1680-30	70 x 70 cm
	1680-35	120 x 70 cm
	1680-39	175 x 70 cm
